This application is a continuation-in-part of and relies upon the following U.S. Patent Application Nos. 10/444,941 and 10/367,597 for an earlier effective filing date under 35 U.S.C. §120. In accordance with 37 CFR §1.98(d), copies of the reference and the cited applications are not enclosed, as they have all been previously submitted to the Office in one or more of the parent applications.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
